Wood Badge is a comprehensive training course started by Robert S. Baden-Powell, founder of the Boy Scouts, to help leaders hone their skills, extend their understanding of the youth they lead and the adults they work with, and to go to new levels of personal growth and learning as Scouters. As Scouting has grown and evolved, so too has Wood Badge.

Today, Wood Badge provides advanced training in leadership and teamwork for adult leaders in all Scouting programs including Cub Scouts, Boy Scouts, Varsity, and Venturing as well as District and Council volunteers and professionals.

Wood Badge training is offered by the National Boy Scouts of America and the lessons learned go far beyond any other training course available through the Scouting movement at the District level, Council level, and the National BSA Philmont Training Center.

Time Commitment: Six days in two 3-Day segments from Thursday (8:00 AM) morning through Saturday afternoon, a two hour pre-course meeting, and two interim patrol meetings at the time and location of the patrol's choice.

It is our hope to have all Scouting Leaders trained in Wood Badge Leadership principles. With this goal in mind, we can be assured we are delivering the promise of Scouting made to our youth, parents and sponsors.
